

## **Transgene to Present at Ladenburg Thalmann 2015 Healthcare Conference in New York**

---

**Strasbourg, France, September 23, 2015** – Transgene today announced that management will give a corporate presentation at the upcoming Ladenburg Thalmann 2015 Healthcare Conference for investors to be held September 29, 2015 in New York, NY. The presentation will be at 1 PM ET.

A live webcast, as well as replay, will be available on the Company's website at [www.transgene.fr](http://www.transgene.fr) in the Investor Relations/Investor Events & Presentations section.

### **About Transgene**

Transgene S.A. (Euronext: TNG), part of Institut Mérieux, is a publicly traded French biopharmaceutical company focused on discovering, developing and manufacturing targeted immunotherapies for the treatment of cancer and infectious diseases. Transgene's programs utilize viral vector technology with the goal of indirectly or directly killing infected or cancerous cells. The Company's two lead clinical-stage programs are: TG4010 for non-small cell lung cancer and Pexa-Vec for liver cancer. The Company has several other programs in clinical and pre-clinical development. Transgene is based in Strasbourg, France, and has additional operations in Lyon, as well as satellite offices in China and the U.S. Additional information about Transgene is available at [www.transgene.fr](http://www.transgene.fr).
